Petal, Try-It, Badge, Interest Project or Fun Patch

We have a program for you.

RESERVATIONS:

Contact the studio no less than two weeks prior to your desired class date. The studio can provide the best support for structured classes Mondays through Thursdays.

SNACKS:

The studio can provide snacks with at least five days advance notice. Please notify the studio when making reservations if snacks are desired.

\$ 5./girl for pizza and a juice box or water.

\$3./girl for snack and a juice box or water.

Snack time is included in all noted times whether or not the studio provides the snacks.

CLASS DURATION:

All classes are 1 ½ hours unless otherwise noted.

SUPERVISION:

We ask that the parents do not help with the projects and if at all possible, make this a drop off event. Children look to the parents for assistance instead of working on the projects themselves, and we have had issues with parents being too loud and not allowing the children to hear instructions or taking over the children's projects. We offer events for parents/children, please let us know prior to the event if parents will be assisting.

PROJECT PICK-UP:

Projects will be picked up together by the troop's designated appointee. All attendees will receive a Gift Certificate that can be used for a future visit to the studio (for walk-ins only, no parties or events and may not be combined with any other discounts).

NOTE:

Some projects require two visits – if a child is unable to attend the first visit, let us know during the event and a parent or our staff can create an extra item or two for that child to use during the next session. If a child misses the second session, the item(s) will be wrapped and packaged and sent home with the troop designee. If possible, we will send instructions for completion. If an additional glazing and/or firing is required there may be an extra charge to return to the studio. Please ask the clerk if this is a consideration. She will give you a "coupon" for the free return visit or notify you of an additional charge.
